Medium	Email	Presentation at UBS SG office
Networking Event		Finalist Teams 26 March 2021, Evening

## FAQ

### Q: Who can register for this case challenge?

A: This challenge is open to undergraduates from all Singapore Local Universities (i.e. SMU, NTU, NUS, SUTD & SUSS).

### Q: How many people make up one team?

A: Each team must consist of 3 or 4 members. All participants must sign up as a team as we will not be matching individual students to form a complete team.

### Q: Can I form teams with participants from other universities?

A: Yes, your team can include students from different Singapore Local Universities.

### Q: Can we change team members during the competition?

A: No, changing of team members is strictly not allowed once the cases are released. If a registered team member is unable to proceed, the team can still participate with the remaining team members.

### Q: When will the case challenge be released?

A: The case challenge will be released during the Case Launch on 15th January 2021. Teams will have to indicate during registration if they will be attending the case launch physically or virtually.
